Title : IBM Smart Analytics Sales Mastery
Test v1

Vendors : IBM

Version : DEMO

NO.1 An IT manager is interested in IBM Smart Analytics System, but they are also looking at similar solutions from Teradata.

What is the best way for the sales representative to respond?

- A. We have a similar proven architecture; however, we can often execute and implement a solution at a more competitive cost.
- B. We have architectural differences that allow us to scale and perform better. We are more focused on BI versus on applications.
- C. An appliance is an interesting approach. We can provide the same benefits and we execute better, stand behind it, and provide a clear upgrade path.
- D. They are just an RDBMS. There is more to analytics than accelerating one or two queries.

Answer: B
